

# Horse Trail Checklist

Check out this simple check list and make sure you have everything you need to make your trail ride a success.

**Plan your ride** and let someone know where you are going and what time you expect to be home

**Be prepared** for changing weather conditions and poor visibility

**It's safe to be seen**  
Make sure you wear hi-viz clothing and an approved riding helmet

Make sure to kit your horse out too in hi-viz including a hi-viz brow band, leg wraps, and tail guard

Wear sturdy waterproof shoes or boots with a heel that will support your ankles on uneven ground should you need to lead your pony or horse

Make sure you carry a water bottle and you bring a high energy snack like fruit or nuts

**Pack essential equipment** such as a map in a map-case, compass, hoof pick, whistle, first aid kit for horse and rider, etc.

**Know what to do** if you have an accident, or need help. You and your horse should both wear visible identification with contact numbers

**Keep to designated trails** and headlands (area along the fence). Leave gates as you find them

**Wear a head or boot torch** to show white light to front and red light to rear

**Protect plants and trees.** Avoid riding through young trees or newly sewn or planted grasses and scrubs

Do not interfere with livestock, crops or farm machinery
