

## Core Funding 2022

2022 sees an increase in NGB investment with an additional €1,155,000 being invested in the sector bringing the total Core funding levels up to €15m. A further €115,000 and €60,000 were allocated to the Federation of Irish Sport and Student Sport Ireland in support it's ongoing work with the sector.

2022 Core Funding was approved by the Board of Sport Ireland in December 2021, with NGBs in receipt of funding since the beginning of 2022.

## Field Sport Investment

Additionally Sport Ireland has provided annual investment in the three large field sports – IRFU, GAA & FAI. A total of €2,389,653 has been allocated to the GAA and €2,250,843 to the IRFU. Funding provided by Sport Ireland supports vital coaching, games development and technical development programmes in both the GAA and IRFU.

As per the Memorandum of Understanding agreed between the Government and the Football Association of Ireland, €5.8 million in funding will be made available to the FAI for football development programmes, pending approval by the Board of Sport Ireland.
